

NESCent ZFIN:CToL Working Group Workshop Agenda
Nov. 12-14, 2006

Workshop goal: How to handle homology among entities?

Sunday, Nov. 12, 2006

8:00 SHUTTLE FROM HOTEL

8:15 Coffee & light refreshments (should have breakfast at hotel if desired)

8:30 Welcomes from NESCent (Kathleen Smith, Director; Jeff Sturkey);
Introductions (Paula_

9:00 Paula Mabee: Workshop goals; Summary of progress

9:30 Chris Mungall: update on EQ syntax, PATO, homology relations

10:00 Melissa Haendel; homology relations

10:30 Hilmar Lapp; homology and other progress at NESCent

11:00 COFFEE

11:15 Whole group: Homology examples

12:30 LUNCH

2:00 – 4:00: Whole group: Homology examples and solutions

4:00 BREAK

4:00 Paula makes an informal presentation of our group's activities to NESCent
postdocs, sabbatarians, and personnel.

4:30 Informal reception for our group with NESCent

5:30 Van back to hotel

6:15 Van from hotel to dinner (whole group)

Monday, Nov. 13, 2006

8:00 SHUTTLE FROM HOTEL

8:15 Coffee & light refreshments (should have breakfast at hotel if desired)

9:00: Break out groups:

1. Phenote adaptations for evolutionary characters; technical considerations (Gibson, Rios, Balhoff and others)
2. Homology: evidence codes (ichthyologists and others)

12:00: Lunch break

LUNCH

Afternoon: topic--

1:30: Whole group: Homology (if not resolved); review of proposed EQSTYE system; Discussion of future strategy given NSF funding.

3:00: BREAK

3:15: Break out groups on technical topics from above

5:15: Van back to hotel

6:15 Van from hotel to restaurant (whole group)

Tuesday, Nov. 14, 2006

8:30:– 12:00:

Wrap up and strategy

Other ontology efforts in evolutionary biology: How best to work with other groups (e.g. Morphster @ UT; Maglia and Amphib ToL; Sarkar and Musen?)

12:00: End of working group.
